Your Innovative Food Packaging Solution

## ABOUT US

CLINQIL is a Malaysian brand by I Chemy Ventures Sdn Bhd, specializing in the manufacturing of high-quality cleaning chemicals and professional hygiene solutions. Established in 2014, we have grown from a small production unit into a trusted supplier serving nationwide businesses across F&B, hospitality, industrial, commercial, and institutional sectors.

Beyond chemical manufacturing, Clinqil also operates a dedicated F&B Packaging Division, supplying high-quality food & beverage packaging solutions to the entire F&B market across Malaysia. This dual-capability model allows us to support clients with a complete hygiene + packaging ecosystem, making us a comprehensive partner for operational cleanliness and food-safe handling.

For over a decade, Clinqil has remained committed to reliable products, responsive support, and customer-focused service — delivering solutions that help businesses operate better, safer, and smarter.

## OUR VISION

To empower businesses with reliable, high-performance hygiene and packaging solutions that elevate quality, ensure compliance, and build customer trust.

## OUR MISION

Our mission is to ensure our customers receive dependable hygiene and packaging solutions, delivered on time, with consistent quality, and with a commitment to operational excellence.

## OUR VALUES

### Quality First

We prioritize product performance and consistency through rigorous testing and quality control in every batch.

### Innovation-Driven

We continually research and develop new cleaning technologies to stay ahead of market needs.

### Sustainability

We design eco-conscious formulations that minimize waste and environmental impact.

### Partnership

We believe in building meaningful relationships with clients — growing together through shared goals and mutual success.

### Integrity

We operate with honesty, transparency, and accountability in everything we do.
